Re: *Lewandowski v. Johnson & Johnson, et al.*, No. 3:24-cv-00671-ZNQ-RLS (D.N.J.)

Dear Judge Quraishi:

We represent Defendants in the above captioned matter. Presently, Defendants must file their reply brief in further support of the motion to dismiss the first amended class action complaint by July 29, 2024. Defendants respectfully request a 14-day extension, such that their reply brief shall be filed by August 12, 2024. Defendants request this extension to allow adequate time for preparation of their reply in light of defense counsel's other commitments in late July and early August, which include preparation for depositions, upcoming discovery deadlines in other matters, and pre-planned travel as well as the need to build in adequate time for client review. Plaintiff opposes Defendants' request for a 14-day extension, but would not oppose an extension of 7 days.

If Defendants' request for a 14-day extension meets with Your Honor's approval, we respectfully request that the Court endorse this letter on the "**SO ORDERED**" line below and enter it on the docket.

We thank Your Honor for your consideration of this matter.

Respectfully submitted,

/s/ Jeffrey S. Chiesa
